

Tomorrow Energy Corp

PENNSYLVANIA RESIDENTIAL & SMALL COMMERCIAL
ELECTRIC SALES AGREEMENT AND TERMS OF SERVICE

The following is the Terms of Service Agreement (“Agreement”) between you (“Customer”) and Tomorrow Energy Corp (“Tomorrow Energy”) for the purchase of energy service.

Tomorrow Energy Corp (“Tomorrow Energy”) is licensed as an Electric Generation Supplier (EGS) with the Pennsylvania Public Utilities Commission (PA PUC) and will supply electricity for your residence or business address as specified in the Disclosure Statement which is hereby incorporated into this Agreement. Tomorrow Energy agrees to sell, and Customer agrees to buy the quantity of electricity delivered to you, as measured or estimated by your Local Distribution Utility (LDU). By enrolling for service with Tomorrow Energy, you agree to be bound by this Sales Agreement and Terms of Service (Agreement) and pay for the electric supply Tomorrow Energy provides to you under this Agreement. The words “we,” “us,” and “our” refer to Tomorrow Energy, and the words “you” and “your” refer to the Customer. Tomorrow Energy’s electricity license number is A-2011-2250633. You have chosen Tomorrow Energy as your electric generation supplier. Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utilities Commission (PUC) regulates distribution prices and services. The Federal Energy Regulatory Commission (FERC) regulates transmission prices and services.

Eligibility: Tomorrow Energy does not deny electric supply service or determine eligibility for pricing based on credit history, utility payment data or credit score. Tomorrow Energy does not deny service based on a customer or applicant’s race, creed, color, national origin, ancestry, sex, marital status, lawful source of income, level of income, disability, familial status, location of a customer/applicant in an economically distressed geographic area, or qualification for low income or energy efficiency services.

Service Term and Product Selection: Your service under this Agreement is provided under a fixed-rate (term) product (“Fixed-Rate Product”) along with any applicable monthly recurring fees, as specified in your Disclosure Statement. If you are a new Customer, your selected product will become effective on the day your service begins, which coincides with the date your meter is read by your LDU. Because this date is determined by your LDU, Tomorrow Energy is not able to commit to a specific date for the commencement of service. If you are currently a Tomorrow Energy Customer and are switching to another product, your selected product will become effective within 24 hours of the request to switch to the new plan. Fixed Rate Products shall commence for a term as specified in Disclosure Statement. Two contract expiration notices will be sent to you prior to the end of your contract term. If you fail to act after receipt of the

contract expiration notices, your service will automatically renew on a month-to-month basis with a Variable Rate Product subject to pricing at Tomorrow Energy’s sole discretion. Customer understands and acknowledges that Product selection and enrollment is subject to Tomorrow Energy and Utility approval, based on the premise type and/or service class that was previously assigned to Customer’s account by Customer’s Utility.

Pricing and Payment: Your rate will be disclosed in your Contract Summary. Customers who choose a term product have a Fixed-Rate Product for the entire term and may be charged a fee for early termination. Each billing period, you will receive a single invoice from your LDU that includes Tomorrow Energy supply charges, as well as applicable LDU charges, surcharges, state and local taxes.

Material Change: If, at some future date there is a change in any law, rule, regulation or pricing structure, or there is a regulatory or judicial ruling or decision which shall have a detrimental economic impact upon Tomorrow Energy’s performance under this Agreement, or in the event that compliance with such change, ruling or decision shall result in a material change in the way prices are calculated under this Agreement, or a material change in the level of components of pricing under this Agreement, Tomorrow Energy shall have the right to change this Agreement with thirty (30) days’ notice to the Customer. Upon receipt of written notice of a material change, Customer may terminate this agreement prior to the date such change becomes effective.

Rescission Period: You may rescind this Agreement without fee or penalty of any kind within three (3) business days of receiving the Disclosure Statement and Terms of Service by calling Tomorrow Energy at (888) 682-8082 from 8:00 a.m. to 5:00 p.m. (EST), Monday–Friday. You may also rescind (a) in writing to, Tomorrow Energy Corp, 3151 Briarpark Drive, Suite 100, Houston, Texas, 77042; (b) electronically (WeCare@TomorrowEnergy.com) or (c) by sending a fax to (800) 256-6181. Please provide your name, address, phone number and a statement that you are rescinding your Agreement under the three (3) day Right of Rescission.

Cancellation and Switching Procedures: Customer may cancel a Variable Rate Product, for any reason or for no reason by telephone at (888) 682-8082 or in writing 3151 Briarpark Drive, Suite 100, Houston, Texas, 77042 at least (30) days prior to the intended date of termination. If Customer enrolled under a Fixed-Rate Product, you agree to remain a Customer of Tomorrow Energy until the term expires or you may be subject to an early termination fee. When you cancel services, you agree to pay for the services provided by Tomorrow Energy through the date you are switched to another

provider or returned to the LDU for service. Your cancellation will not be effective until the next regularly scheduled meter-reading date which follows the date on which Tomorrow Energy gives the LDU notice of your cancellation request. Tomorrow Energy reserves the right to cancel this Agreement (i) if your LDU is unable to read your meter for three (3) consecutive months; (ii) if at any time you request separate bills from your LDU and Tomorrow Energy Services; or (iii) if the LDU removes you from their consolidated billing program and requires that Tomorrow Energy bill you separately for your energy supply. If this occurs, we will notify both you and your LDU of the cancellation of this Agreement at least 3 days prior to the effective date of cancellation. It may take up to (60) days for Customer's account(s) to be returned to the LDU depending on LDU cancellation procedures. Customer may cancel the Agreement without penalty, if you move to another service location and provide evidence that you are moving, along with a forwarding address.

Contract Renewal/Material Change in Terms: If you have a fixed term contract approaching the expiration date, or whenever we propose to change the terms of service, you will receive two separate written notifications, the first approximately 60 to 75 days in advance and the second 45 days in advance of either the expiration date or the effective date of the proposed changes. These notifications will explain your options going forward. If you fail to take action after receipt of the contract expiration notices, your service with Tomorrow Energy will continue on a month-to-month basis with a Variable Rate Product. If, at some future date there is a change in any law, rule, regulation or pricing structure, or there is a regulatory or judicial ruling or decision which shall have a detrimental economic impact upon Tomorrow Energy's performance under this Agreement, or in the event that compliance with such change, ruling or decision shall result in a material change in the way prices are calculated under this Agreement, or a material change in the level of components of pricing under this Agreement, Tomorrow Energy shall have the right to change this Agreement with thirty (30) days' notice to the Customer. Upon receipt of written notice of a material change, Customer may terminate this Agreement prior to the date such change becomes effective. or the proposed changes to the terms of service will become effective.
